

<b>Day 0: Monday 29 August</b>	
9:00-18:00	Preconference excursion to FORBIO and the National Park Hoge Kempen
18:30-21:00	Icebreaker (at Hof van Liere) + registration (registration is open 18.00-19.30)
<b>Day 1: Tuesday 30 August</b>	
07:45-08:30	Coffee + registration (registration is open 7.45-9.30) + uploading presentations (8.00-8.30)
08:30-08:45	Opening by Jonas Lembrechts
08:45-09:45	Keynotes by Rebecca Senior & Sylvain Pincebourde
09:45-10:30	Presentations: Microclimate research in mountain ecosystems
10:30-11:00	Coffee break
11:00-12:30	Presentations in parallel sessions Collection and analysis of microclimate data                      Animal ecology - Impact of microclimate on species performance
12:30-14:00	Lunch break + registration (registration is open 12.30-13.30)
14:00-14:30	Keynotes by Florian Zellweger
14:30-15:30	Presentations: Microclimate research in arctic ecosystems
15:30-16:00	Coffee break
16:00-17:30	Poster session
<b>Day 2: Wednesday 31 August</b>	
08:00-08:30	Coffee + registration (registration is open 7.45-9.30) + uploading presentations (8.00-8.30)
08:30-09:30	Keynotes by Kassaye Tolassa & Martin Nuñez
09:30-10:30	Presentations: Drivers of microclimate variability 1
10:30-11:00	Coffee break
11:00-12:30	Presentations in parallel sessions Microclimate modelling    Impact of climate change on plant communities 1
12:30-14:00	Lunch break + registration (registration is open 12.30-13.30)
14:00-15:00	Keynotes by Vigdis Vandvik & Anne Bjorkman
15:00-16:00	Presentations: Drivers of microclimate variability 2
16:00-16:30	Coffee break
16:30-18:00	Presentations in parallel sessions Impact of climate change on plant communities 2                      Impact of climate change on ecosystem functioning

Day 3: Thursday   September	
08:00-08:30	Coffee + uploading presentations (8.00-8.30)
08:30-09:30	Keynotes by Julia Kemppinen & Fernando Maestre
09:30-10:30	Presentations: Conservation
10:30-11:00	Coffee break
11:00-12:30	Presentations in parallel sessions LiDAR technology to model microclimate                      Animal ecology - Impact of microclimate on species distributions
12:30-14:00	Lunch break + best poster & talk awards
14:00	Workshops
